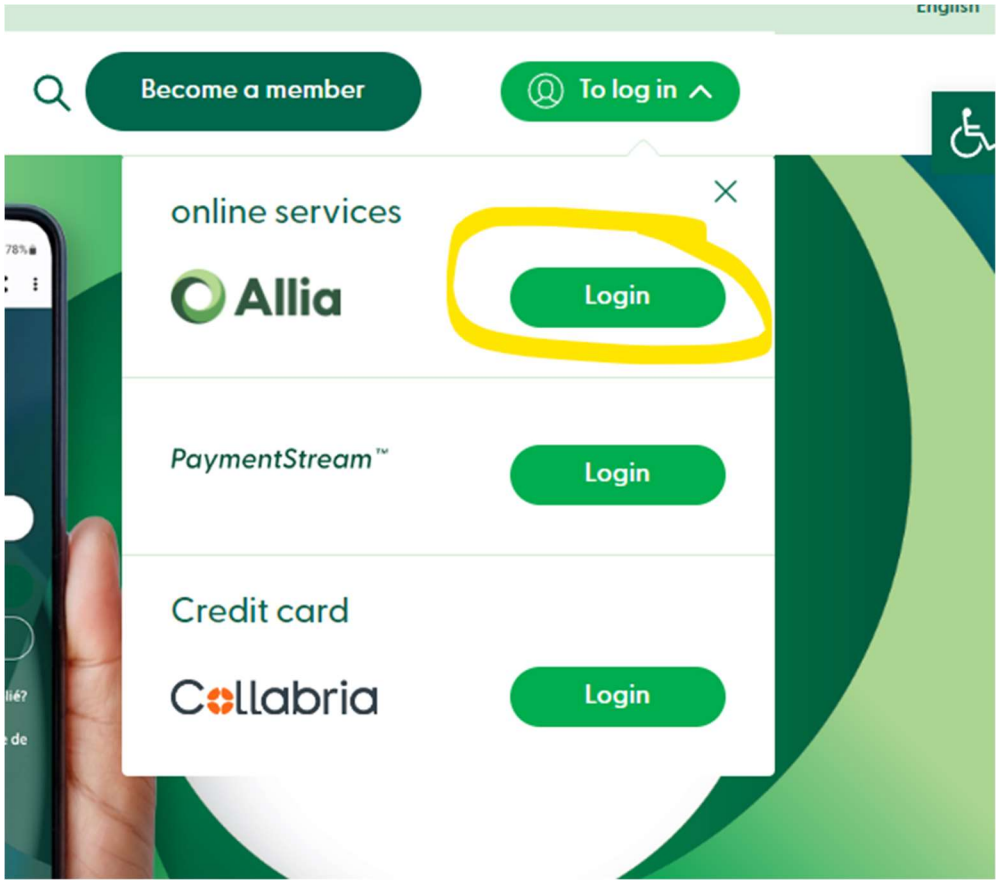
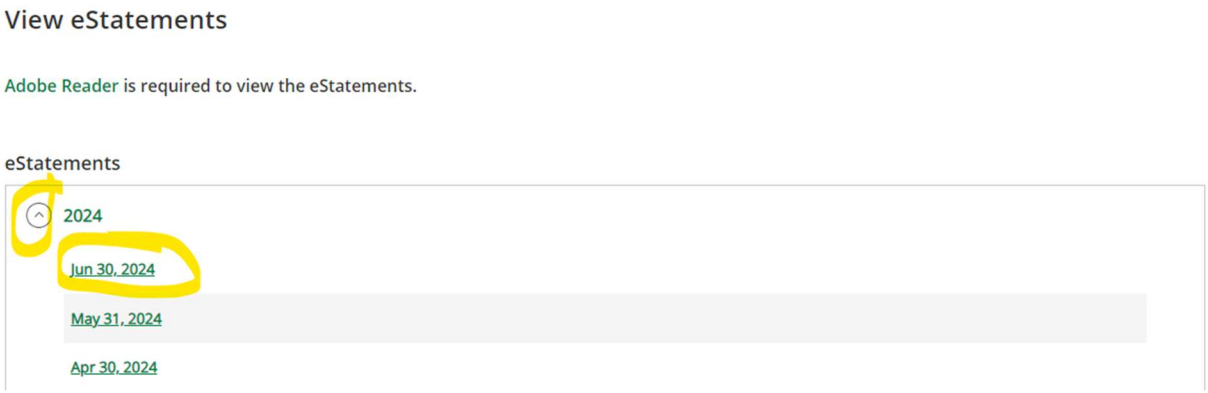
How to get a mortgage statement from the Caisse.

1. Log onto your online banking account.



2. Hover over “accounts” and choose “View eStatements”

3. Expand the most recent years drop down using the arrow and then choose the most recent statement.



4. That statement will download as a PDF to your device. Open the statement and scroll down to see your mortgage account listed. *(Do not redact anything on your statement, this is for example purposes only)*
